AdVITya

VIT Bhopal's annual fest adVITya is back in 2023 with its 4th Edition. Beginning on 08th February, 2023 adVITya 2023 promises a variety of experiences and fun. The adVITya 2023 will be a three day fest and will be organized from 08th February, 2023 to 10th February, 2023. Back with its true vibrance and enthusiasm with numerous events on its tray, the adVITya 2023 is all set to add unmatched glitters to the VIT Bhopal University for three days.

Hailed as VIT Bhopal's biggest event, it carries great heritage that continues to grow and reach new heights, courtesy of the years of continuous dedication and enthusiasm of students of the elite engineering college. Similar to its excellence in academics and research in the fields of Science and Technology, VIT Bhopal's annual fest adVITya is surely an event that one should not miss.

Interestingly, the adVITya 2023 is open for students from all colleges. All one needs is a great spirit and a lot of enthusiasm. So pack your bag and grab your friends to experience three days filled with love, laughter, and joy. Get ready to dance in the sparkle of fun!!!

VIT Bhopal University, envisioned with a new global outlook will empower its aspirants to attain excellence through learning. The comprehensive teaching methodology designed by the University, redefines the approach to learning, educating and building knowledge-based societies in the country. Collaboration with reputed national and international organisations and strategic partnerships with universities around the world are being established, to prepare a globally competent generation of professionals.
